

REMARKS

A first action notice of allowance was received in the subject application. Applicants at this time wish to submit formalized drawings for inclusion in the issued patent. However, the application was originally filed with Fig. 1 being labeled as Fig. 1, Fig. 1A and Fig. 1B. The formal drawings submitted herewith which conform to PTO rules contain Fig. 1 labeled as Fig. 1A, Fig. 1B, Fig. 1C. Applicants have amended the specification to conform to the relabeled drawings. Approval by the Examiner of both the changes to the specification and formal drawings is respectfully requested.

It is believed that this amendment adds no new matter and that the application should be passed to issue upon payment of the issue fee. If the Examiner has any questions regarding this amendment, Applicants attorney would appreciate a phone call.

Respectfully submitted,
